Long Beach Board of Education Building

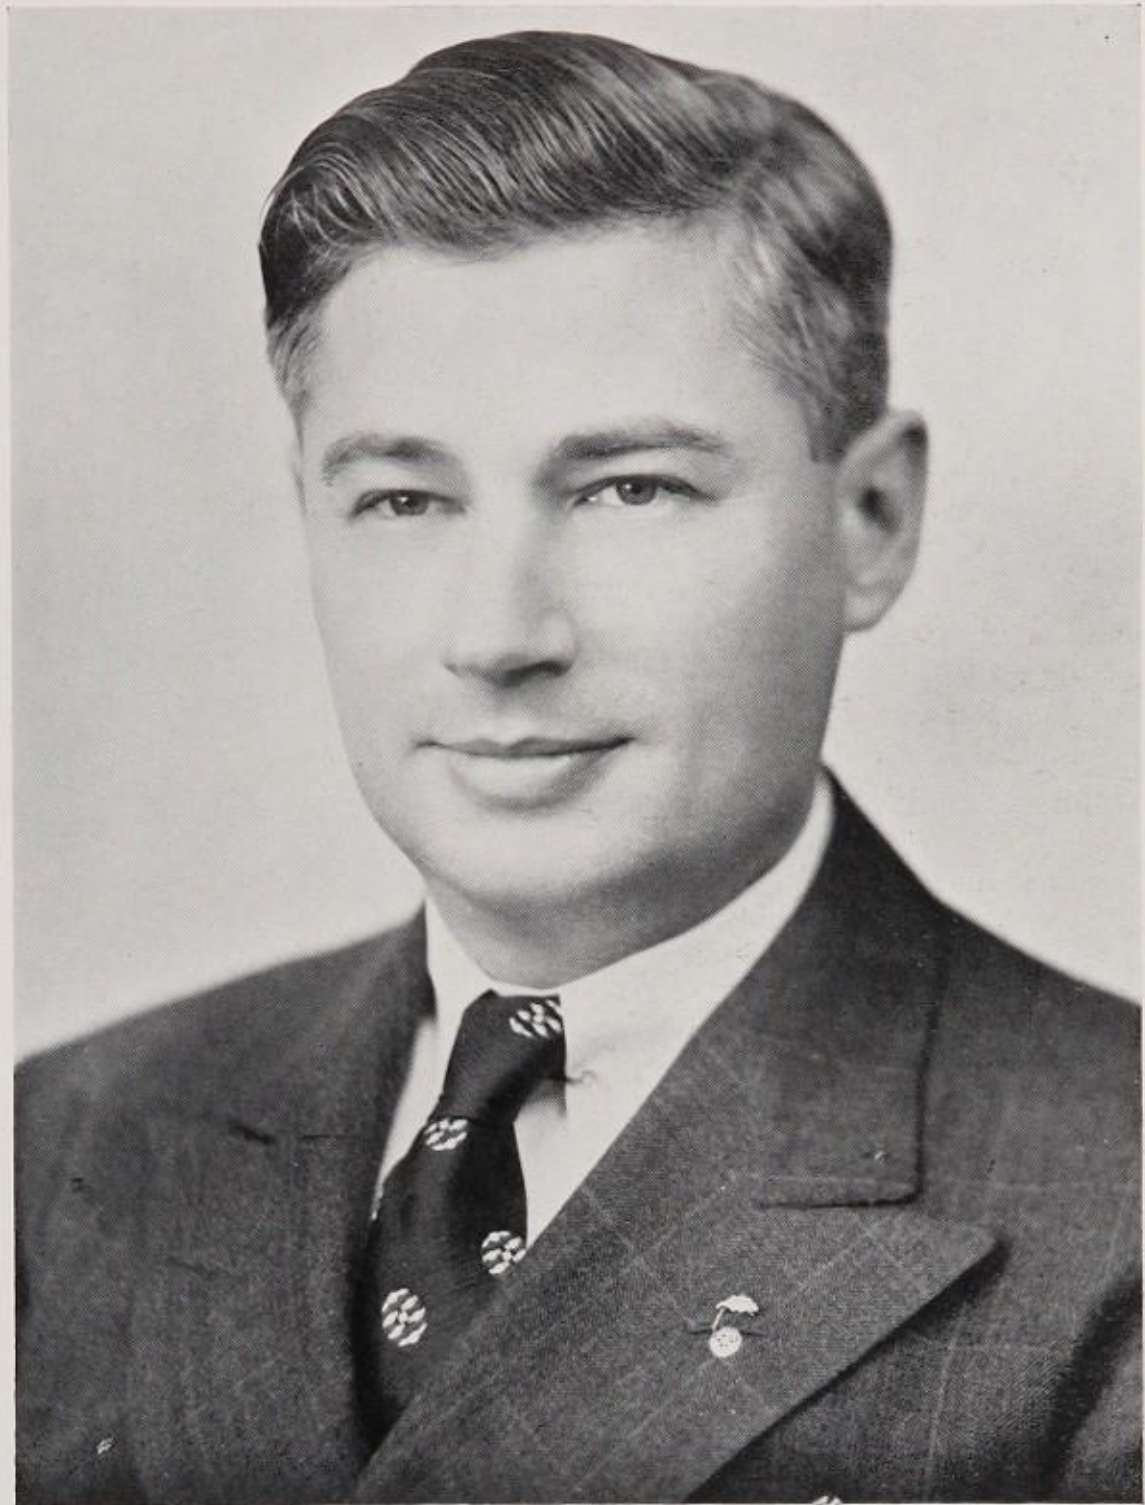

*"All are architects of Fate,
Working in these walls of Time."*

As we look through these pages we are impressed with the beauty, the strength and the practical utility of the splendid school buildings that have been erected here to replace the buildings of the past.

Back of each building were the plans and blueprints of the architect, carefully worked out, and revised again and again to suit the building to its own particular setting and to the purposes which it was to fulfill.

Every student is a builder. While in school here you are laying the foundations and starting the structure of your life career. Are you giving careful thought to the plans and blueprints, and revising them again and again to better suit them to your life purposes? Are you laying the foundations carefully and thoughtfully, to bear the superstructure which you are to erect thereon?

David Burcham
Principal

The Long Beach Public Schools have gone through one of the most extensive programs of building reconstruction that has ever been accomplished by a local school system. Your school, Polytechnic High, is rapidly becoming a new and finished plant in the scheme of development, especially with the assurance of safety as well as utility and beauty.

The education that you gain through your experiences in Poly is in a real way a reconstruction program too. For it is through a reconstruction of experience by each individual that the purposes of schools and of education may be realized. You, as an individual, are the architect and the contractor for your own educational structure. May you build well.

FACULTY TEA—Early in the year, the faculty of Poly High School honored Dr. and Mrs. Kenneth E. Oberholtzer at a tea in the auditorium. Dr. and Mrs. Oberholtzer expressed their sincere appreciation for the wonderful reception given them.

ALUMNI DAY—Alumni are always welcome to Poly High, but one day is especially set aside to honor Poly graduates. A great many people, of whom we are justly proud, returned this year to present an All-Alumni Program for the Student Body and to conduct the yearly business meeting of the Association. Foster Rucker was in charge of the program of the day.

It is also a contact between students and faculty so that a better understanding may be maintained between them. The first duty of the 1937 Commission was the approval of appointments to student officers such as: *Caerulea* editors and business manager, High Life editors, athletic managers, and the Committee of Five for CSF. The activities of the 1938 Commission followed, in the main, the program instituted by the Commission of 1937. Mr. Reid and Mr. Vermilya, as advisers, guided the Commission in its decisions. Members of the Commission are elected by the Student Body.

CHAMBER OF COMMERCE—Since the organization of Poly's Chamber of Commerce in 1935 by Miss Elizabeth Lodwick and Mr. William V. McCay, it has become one of the most important and enterprising administrative groups in our student government. This year the organization sponsored a tremendous drive for traffic safety in cooperation with the Long Beach Traffic Safety Council and Police Department. Through this campaign, two speakers were given the opportunity to address the convention of the National Safety Council at Fresno. Aside from this project, the Chamber of Commerce has backed the Annual Athletic Speaking Contest, the courtesy drive in which hosts and hostesses were established, an assembly to promote traffic safety, the Poly—Wilson Discussion, and the Annual Extemporaneous Speaking Contest.

CHAMBER OF COMMERCE—Miss Lodwick (Adviser), Lethers, Butman, Barker, Lingle, Sweet, Flanagan, Crowell, Wilson, Mr. McCay (Adviser).

BOYS' LEAGUE—Throughout the year 1937-38 the Boys' League has taken a very prominent part in the promotion of school affairs. Under the guidance of Mr. Peniwell, vice principal of Poly and adviser of the Boys' League, the organization has done much to promote the welfare of the school. The first big project was the Thanksgiving Drive, which through cooperation with the entire school was successfully completed. The organization was also called upon to assist in the Christmas Drive. The Boys' and Girls' Leagues solicited money with which they purchased clothing and toys. These gifts were delivered by the Welfare Committee to needy children. The Boys' League also entertained the incoming Sophomores at a reception. Leading students were introduced to the Sophomores and spoke on subjects of interest about Poly.

BOYS' LEAGUE '37—Mr. Peniwell (Adviser), Lee, Akeyson, Hodges, Brothers.
BOYS' LEAGUE '38—Mr. Peniwell, Thompson, Deeble, Barker, Lee.

EXTEMPORANEOUS SPEAKING CONTEST—The annual Extemporaneous Speaking Contest was held this semester on March 24 in double second period assemblies. Elimination contests were held in all public speaking classes, and a final elimination contest was held at a later date in which twelve speakers and one alternate were selected. The finalists were each given an article selected from the Readers' Digest and were allowed thirty minutes in which to prepare a three minute speech.

Mr. McCay and Mr. Wright sponsored the contest; Mrs. Howard T. Rankin, Mr. Franklin Robinson, and Dr. Klopp acted as judges.

SPRING SEMESTER SPEAKERS' WORKSHOP—FIRST ROW: Deeble, Dooley, Marsh, Nation, Griffin, Nielsen, Dahlstrom, Ashton, Flanagan, Lauri, Huron, Larrimer, Hoke. SECOND ROW: Mr. McCay (Adviser), Lacy, Lethers, Grey, Goodell, Stine, Hungerford, Sanders, Pugh, Lingle.

EXTEMPORANEOUS SPEAKING CONTEST—FIRST ROW: Barker, Dooley, Ashton, Beam, Huron, Nielsen, M. Anderson, C. Andersson, Mayger, Deeble. SECOND ROW: Mr. McCay (Adviser), Goldhamer, Lineberger, Mr. Robinson, Mrs. Rankin, Dr. Klopp, Hirashima, Lingle.

GIRLS' LEAGUE—With its aim to promote the highest ideals of womanhood, to further happiness and friendliness among the girls of Poly, the Girls' League of 1937 and 1938 under the guidance of Miss Lofland, Miss Harnett, and Miss Lacy, conducted an outstanding program.

The get-acquainted parties for the new girls, the Wilson, Jordan, and Poly combined tea and discussion, and the Thanksgiving and Christmas drives were some of its projects. In September the semi-annual Girls' League Conference was held at Glendale. Representatives from over fifty Southern California schools attended the conference. Beside this constructive work, there were teas and other social activities which filled the year's program.

GIRLS' LEAGUE EXECUTIVE BOARD—FIRST ROW: Miss Lofland (Adviser), Lyons, Vader, Dahlstrom, Larrimer, Huron.

GIRLS' LEAGUE ADVISORY BOARD—FIRST ROW: Walker, Sheehan, Dahlstrom, Miss Lofland, (Adviser), Larrimer, Huron, Keehen, Kohnke, Vader. **SECOND ROW:** Dilday, Hoke, Kammerer, Kennedy, Lyons, Ashton, Francis, Merrell, Evans.

GIRLS' LEAGUE TEAS—The first fall activity of the Girls' League was the get-acquainted party for those girls attending Poly for the first time. The tea was conducted to welcome the new girls and to advise them of the opportunities offered by participating in activities of the League. Personal invitations were sent to the guests, and the advisory board, acting as hostesses, entertained them in small groups.

Following the annual custom of the three schools, Poly joined with the Jordan and Wilson advisory boards and representatives from the Junior College for a group discussion. At the meeting problems concerning the new gymnasium at Poly, the girls' uniform, and the showers were considered. This was also a social affair, tea being served by the Poly Girls' League.

GIRLS' LEAGUE EXECUTIVE BOARD—Miss Lacy (Adviser), Miss Lofland (Adviser), MacKay, Hoke, Chandler, Robinson, Larrimer, Huron, Miss Harnett (Adviser).

GIRLS' LEAGUE ADVISORY BOARD—FIRST ROW: Ashton, MacKay, Robinson, Chandler, Hoke, Larrimer, Huron, Keehen, Evans, Lovelady. SECOND ROW: Montgomery, Kohnke, Lovaas, Folsom, Carson, Dahlstrom, Mylar, Doolittle, Miss Lofland (Adviser). THIRD ROW: Francis, Kennedy, Miss Harnett (Adviser), Miss Lacy (Adviser).

THANKSGIVING AND CHRISTMAS DRIVES—The Welfare Committee, under the auspices of the Girls' League, sponsored one of the most extensive Thanksgiving drives in the history of the school. Aided by the Boys' and Girls' Leagues and the individual sections, more than one hundred Thanksgiving baskets were delivered to the needy families of Long Beach. Each basket contained the essentials for a holiday dinner.

Another project of the Welfare Committee was the Annual Christmas Drive. Each Poly student was asked to contribute ten cents to help purchase one article of clothing and some toys for the child to whom the section was assigned. An effort was made to see that no Poly student or sister or brother of a Poly student went without gifts at Christmas time.

MAY DAY COMMITTEE—Miss Gates, Miss Loftand, Stine, Miss Reardon, Huron, Mrs. Folsom, Hoke, Miss Lacy, Miss Richards.

PORTIA—FIRST ROW: Lepick, Deeble, DeLong, Lyons, Ashton, Montgomery, Nelson, Brunn. SECOND ROW: Garnier, Long, Fitzsimmons, Jones, Folsom, Woods, Abright, Miss Burke (Adviser)

WELFARE COMMITTEE—The Welfare Committee, known this year as Portia, has again successfully sponsored the annual old clothes, penny, Thanksgiving and Christmas drives. However, work was not the only thing that kept the club members busy this year. A tea, a formal dinner, and several social meetings at night were also enjoyed by the members. The Welfare Committee is under the auspices of the Girls' League and is sponsored by Miss Taber and Miss Burke.

UNIFORM BOARD—At the weekly meetings of the Uniform Board girls who had been out of uniform presented their excuses to the members of the Board, who either canceled the slips or issued demerits. The objective of the organization is to make more effective the regulation concerning uniforms. Miss Richards advised the group.

PORTIA—FIRST ROW: Lepick, Baldwin, Taylor, Wilson, DeLong, Nelson, McClure, Deeble, Mylar, Lyons, Montgomery, Bassett. SECOND ROW: Ashton, Anderson, Woods, Brunn, Taylor, Jones, Folsom, Sheehan, Boulder, Flanagan, Garnier. THIRD ROW: Long, Kammerer, Hansen, Francis, Brunn, Miss Burke (Adviser), Miss Taber (Adviser), Fitzsimmons, Abright, Fosholdt.

UNIFORM BOARD—FIRST ROW: Dilday, Reid, Campbell, Oliver, Taylor, De Klyne, Simpson, Willis, Long, Stine. SECOND ROW: Armstrong, Terry, Fincannon, Padgham, Miss Richards (Adviser), Kammerer, Coulter.

STUDENT BODY STORE—The ever popular ice cream confections, candy bars, pies, and all kinds of school supplies were sold daily by the Student Body Store clerks to the crowds of lunching Poly High students. One hundred fifty-two students held the position of clerk this year, receiving for their services valuable training for future sales work. Before a person may become a clerk he must file an application and have three references, as well as have a merit record of eighty-five or above. Pins are awarded to those who have clerked for one year. At the awards meeting in January, a special award pin for outstanding service was given Katherine Murone. The Student Body Store is both an activity and a class, with credit being given in

Applied Salesmanship or in Applied Bookkeeping. The store was run on the efficient system of student management which has proved so successful in past years. Over three thousands tickets, each representing a five cent purchase, were sold every day, of which two thousand were used at the store. This year a net profit of three thousand five hundred dollars was left. This profit was added to the general student body fund to be used in support of other school organizations that operate at a financial loss. Aside from its sales activities the store has been the headquarters for the lost and found department which has proved an essential feature of student service.

CAFETERIA—This is the first year since the earthquake that Poly has been fortunate enough to have a school cafeteria. The cafeteria exists for the benefit of the students and teachers with food being sold at cost. The menu is prepared a week in advance by a competent staff and published by the Board of Education. Poly's cafeteria is not as large as it is intended to be, but it is completely equipped with all modern kitchen facilities. The plans for next year are to increase the size of the building in order to accommodate more students.

Lunch period in the Cafeteria and Student Body Store

FIRE SQUAD—Without the aid of a clanging engine or screaming siren the retiring Poly firemen have fulfilled their duties with every precaution exercised to protect human life. The safety of the student body in all possible fire hazards is the aim of the fire squad. Each room has two boys and one girl appointed by the teacher to act as firemen. One boy remains in the room until it is cleared. While the other boy leads the class out, the girl takes care of any first aid cases. Under the sponsorship of Mr. Brainard an organization far superior to any system used in the past has been constructed. All efforts have been directed toward a more perfect drill in leaving the buildings since students this year have not been assigned to operate fire hoses or remain on duty in any building.

FIRE SQUAD—FIRST ROW: Thompson, Dooley, Keehen, Rochwille, Hawn, McFarland, Williams, Curtis.
SECOND ROW: Mr. Brainard (Adviser), Warner, Crowell, Burrows (Chief), Abercrombie, Harkness, Goodwill, Brower. **THIRD ROW:** Folsom, Liggett.

FIRE SQUAD—FIRST ROW: Deeble, Thompson, Hodges (sst. Chief), Abercrombie (Chief), Keehan, Barnes, Burch, Dobbie. **SECOND ROW:** Van Dyke, Dooley, Williams, Brover, Hartnett, Laver (Asst. Chief), Koobs. **THIRD ROW:** Barker, Curtis, Liggett, Oleson, Oliver.

CHEER LEADERS—Rah! Rah! Sis, boom bah! The Poly's song and yell leaders swing to the rhythm of "Poly High". This year six song and yell leaders were selected to lead yells at the outstanding athletic events, and to carry to every game the spirit and enthusiasm of the student body. Mr. Reddick supervised the training of the yell leaders.

From the large group of girls who entered the tryouts five song leaders were chosen. Miss Gates and Miss Shouse directed the girls. Also included in this group were the drum majors and majorettes. Directed by Mr. Gill, the skilled baton twirlers were features of the half time entertainment by the band.

SONG LEADERS, YELL LEADERS AND DRUM MAJORS—FIRST ROW: Tillery, Shipp, Loftin, Helbig, Deitrich. SECOND ROW: Jaissle, Dooley, Brothers, Deeble, Privett. THIRD ROW: Engle, Kruger, Bascue, Phillips, Sweningson, Haasis.

SENIOR CLASS—The years at Poly may be pictured in a variety of shades to the Graduating Class of 1938. Highlights flash on the Opera, the Senior Proms and Plays, and the Catalina Trip. Less vivid, but just as lasting in our memories, are the happy experiences we have enjoyed and the true friendships we have formed.

The first event of importance was the Prom in honor of the Mid-year Graduating Seniors. After a year of fun, frolic and education, the final week of school in June found the Seniors amid a whirl of activities. The trip to Catalina, the Prom, and the Baccalaureate, were climaxed by the Graduation Ceremonies held in the Municipal Auditorium. Approximately seven hundred students received their diplomas and passed one great milestone in their lives.

JUNIOR CLASS—The Junior Class has again achieved particular prominence in the varied activities in which it has participated during the past year. Members of this class have excelled in student organization and in scholarship. They have held important positions on the Executive and Advisory Boards of both Boys' and Girls' Leagues; they have been active in school clubs and were well represented in the scholarship society. Many of the brilliant players we have seen in action on the football field and on the basketball court have been furnished by the Junior Class, as were a number of those taking part in Masque and Sandal productions and in the annual operetta. This class may well be proud of the progress it has made at Poly.

SOPHOMORE CLASS—The prospect of becoming a part of the school at Poly, with its large student body and imposing campus, at first seemed rather terrifying and hopeless to the fifteen hundred sophomores who entered in 1937 and 1938. However, the friendly and helpful attitude of the faculty and the upper classmen aided the new-comers to adjust themselves quickly to their environment and to become familiar with the aims and purposes of their new school. This incoming group has proven its initiative during the past year by taking advantage of the many opportunities offered to it in scholastic achievement, in clubs, and in athletics. The eagerness and anticipation with which this sophomore class has begun its high school career makes certain its success in future years.

OPERA—Combining delightful music, humorous dialogue, and an entertaining plot, Rudolf Friml's popular operetta, "Firefly", was staged this year by the Music Department in the Poly Auditorium. On April 6 a matinee was presented for the junior high school students of the city, and the performance was repeated before capacity audiences of Poly students and friends on the evenings of the 7th and 8th.

The amusing plot concerns the adventures of a pretty and flirtatious Italian street singer, Nina, who, disguised as a boy, secures work aboard the yacht of Mrs. Godfrey Van Dare, a wealthy American widow. Nina's flirtation with Jack Travers is a constant source of annoyance to Geraldine Van Dare, his fiancée. Aboard the yacht, complications arise which lead to the discovery of Nina's identity. She is left ashore at Bermuda with the amiable choirmaster, who has become fond

of the girl and adopts her. The last act is set in New York City. Nina, now known as Madame Gianina, the famous opera star, appears before the Van Dares, who have believed her dead. The opera closes with reunion of the two lovers, Jack and Nina.

The cast included Natalie Murphy and Roberta Dodge as Nina. Bob Renfro as Jack. Janice Folsom as Mrs. Van Dare, Frank Williford as John Thurston. Marion Keltie as Geraldine Van Dare, Frances Davis as Suzette, Betty Hawkins as Sybil Van Dare, Ralph Lee and Herbert Teising as Herr Franz, Charles Steidel as Pietro, Donald Nunez as Jenkins, Daniel Stein as Corelli, Virgene Trauger as Antonio, and Hans Vogel as the policeman.

Miss Mary Shouse, General Director, was assisted with the dramatizing by Miss Breed. Miss Gates directed the incidental dancing, and Mr. Gill was in charge of the orchestral arrangement.

CHRISTMAS CONCERT—The clear notes of the Vesper Chimes were ringing “Gloria Patri”, a faint echo! “Gloria Patri”. Thus began the Annual Christmas Concert, presented in the Long Beach Municipal Auditorium on December 14th and 15th.

Miss Mary Shouse acted as General Chairman and Director of this splendid production and was assisted by Mr. Gill, Mrs. Sjoberg, Miss Grubb, Mrs. Higgins, Miss Richards, Miss Edith Wyant, and Miss Anne Aaronson. The continuity of the Christmas Concert was one of its most impressive attributes while the glorious music and effective visualizations combined to make it a truly beautiful production. The final exultant praise, “Glory to God in the Highest”, was a fitting climax to the brilliant performance.

Glee Clubs and String Ensemble

Glee Clubs and Mixed Chorus

BOYS' GLEE CLUB—This year the Boys' Glee Club, directed by Miss Shouse, boasted a membership of forty-five fine voices. In addition to fulfilling many engagements before civic organizations this group cooperated in presenting the Annual Christmas Concert. In the spring the Glee Club provided the male leads and chorus for the operetta, "Firefly".

MIXED CHORUS—The advancement of interest in fine music and the development of the fundamentals of harmony singing are the worthwhile purposes of the Mixed Chorus. Here valuable experience is offered the ambitious singer, and preparatory work needed for entrance in the glee clubs is offered. Under the direction of Miss Higgins the chorus participated in numerous programs and were a splendid addition to the Christmas Concert.

SENIOR GIRLS' GLEE—Fifty-three clear voices, blended in perfect harmony, comprise the Senior Girls' Glee Club, under the leadership of Miss Shouse. Confronted by an unusually full schedule, this organization worked overtime to present the Christmas Concert and Opera. They also appeared on the Southern California Schools' Broadcast and before civic and scholastic groups. An overlapping of fourth and fifth periods permitted combined rehearsals of the Boys' and Girls' Glee Clubs during preparation for the two principal productions.

JUNIOR GIRLS' GLEE CLUB—Designed for the purpose of developing the voices of the prospective members of the Senior Glee, this organization is a class as well as an activity.

SENIOR GIRLS' GLEE—FIRST ROW: Cole, Peniwell, Dilday, Heidewald, Harrison, Rhoten, Yost, Davis, Normington, Spaulding, George, Fargo. BAND—Rated as one of the finest musical organizations of the state, the Polytechnic High School Band was one of the greatest attractions at the football games in the fall. Their peppy music, together with their spectacular maneuvers and smart uniforms, set a high standard among the high school bands of Southern California. Not only on the gridiron but also in assemblies and at special engagements they proved to be an organization of which Poly may well be proud.

This year the band, under Mr. Gill's direction, represented Poly in the Annual Tournament of Roses Parade at Pasadena on New Years' Day, bringing honor and rightful recognition to the school.

DRILL TEAM—Lending color to the half-time entertainment, Poly's drill team of 85 perfectly-trained girls was a feature attraction at all football games during the 1937 season. Against the white background of their uniforms, the green and gold pom-poms formed a brilliant picture as the drill team saluted both the opponents and the student body. Many of the clever routines demonstrated were originated by members of the group. Miss Gates acted as director for the team and Jack Haasis led the girls.

ADVANCED ORCHESTRA—Undaunted by the almost over-whelming schedule of the Teachers' Institute program, mid-year graduation, Senior Play, the operetta "Firefly", and the Commencement in June, the Advanced Orchestra not only played each of these engagements but performed them all with remarkable finesse. Mr. Gill was the able director.

SECOND ORCHESTRA—The Second Orchestra, under the direction of Mr. Gill, provides an excellent opportunity for valuable practice in ensemble playing and the general experience necessary to the successful instrumentalist. Here emphasis is placed on perfection of note and pitch although a great deal of emphasis was placed this year on sight reading of difficult music. This group, as well as the band, furnished music for several assemblies.

SENIOR PLAY—"Ladies of the Jury", a streamlined comedy by Fred Ballard, was chosen as the 1938 Senior Play, and presented in the Polytechnic Auditorium on February 10 and 11. Based on the trial of a French chorus girl for the murder of her husband, its dramatic appeal is supplemented by hilarious bits of comedy. Headed by the leads, Janis Kennedy and Edna Warnock, the cast included Paul Jaissle, Bob Renfro, Pat Hungerford, Dorothy DeKlyne, Wally Crockett, Nancy Bassett, Barbara Bryson, Louise Frost, Helen Gathright, Dale Tate, Clemit Hale, Bob Deyerberg, Barbara Brantingham, Marianne Purdy, Mary Alice De Coudres, Bob Farrow, Bob Snyder, Carl Goldman, Kenneth Folsom, Jessie Creel, Dan Stein, and Joe Deeble. Miss Breed directed the cast.

MASQUE AND SANDAL—Poly's dramatic organization was responsible for the presentation of the Senior Play and all one-act plays. Members of Masque and Sandal also furnished short sketches for PTA programs and other outside engagements. New members are selected for their versatility and dramatic ability in try-outs conducted by Miss Breed, sponsor of the club.

"SAUCE FOR THE GOSLINGS"—When parents imitate their children's slang in an attempt to cure them, what is the result? This situation provided a hilarious plot for the one-act play, "Sauce for the Goslings", presented by Masque and Sandal in November. The cast included Barbara Brantingham, Bob Renfro, Dale Tate, Edna Warnock, Louise Frost, Helen Gathright, Nancy Bassett, and Bill Hose.

STAGE CREW—Behind the scenes of all productions at the Polytechnic Auditorium a group of faithful workers helps to insure the success of the performance. It is the Poly Stage Crew, who construct and paint all scenery, as well as take charge of all lighting effects. Among the many activities of the group were the Christmas Concert, Senior Play, Beaux Art Concert Series, and all assemblies. A period of 125 hours backstage entitles the worker to his stage crew letter. At present the Stage Crew consists of seventeen members under the capable direction of Mr. Foster.

STAGE CRAFT—In cooperation with the Stage Crew, Poly's Stage Craft was responsible for the stage settings of the Christmas Concert, the Senior Play, and the graduation ceremonies.

SPEAKERS' BUREAU—Supplying the speakers for campaigns, assemblies, and public programs, Poly's Speakers' Bureau has been kept very busy. Through speeches given by members of the Bureau, thousands of citizens have been instructed in the problems of traffic safety, on issues for city, state, and national elections, and on issues of national and international importance.

SPEAKERS' WORKSHOP—Composed of the finest student speakers at Poly, the Speakers' Workshop, under the guidance of Mr. McCay, contributes a great deal to Poly High's prestige and fame. Aside from their work with many school activities, speakers from this talented group are in constant demand for programs before numerous civic organizations, clubs, and educational groups.

TRAFFIC SAFETY COUNCIL—The Poly Traffic Safety Council has cooperated with the Long Beach Traffic Safety Council to promote traffic safety in the city of Long Beach. Speakers from Poly have given hundreds of talks on this subject before clubs and organizations of California. By the first of March the fatality rate in Long Beach had decreased 17%. Mr. McCay and Mr. Wright trained the speakers.

ATHLETIC SPEAKING CONTEST—The ninth annual Athletic Speaking Contest was held in the Poly High Auditorium. The six finalists were selected from a large number of entrants after many preliminary contests with each speaker stressing the increasing importance of sportsmanship and clean play on the athletic field. The Student Body acted as judges for the final contest and voted by secret ballot which resulted in the following: 1st—Frank Hirashima, 2nd—Harold Lange, 3rd—Gordon Dooley, 4th—Ed Lethers, 5th—Bill Nation, 6th—Bob Engle.

SCHOLARSHIP SOCIETY—The social activity of the CSF began with a moon-light boat ride to Cabrillo Beach where a barbecue was held in honor of the incoming associate members and the outgoing senior members. The next big event was the school convention held here at Poly High in which Chapter 22 was host to eight Southern California High Schools. Poly High later sent representatives to a similar gathering at Narbonne High School.

The Annual Awards Banquet, which is the main event of the year, was held at the Masonic Temple on February 16, 1933, with the president, Mary Alice De Coudres, presiding. Twenty-one students received Lamp Pins, and twenty-four girls received Scholarship Minor L's.

Danger lurks in every phase of Captain Craig's work which varies from photographing scenes under water to big game hunting in India. Mr. Craig proved to be a very interesting and dynamic speaker.

On April 23, the CSF, together with the Scholarship Societies of Wilson and Jordan, took a trip to the Griffith Planetarium. Another trip, which was open to the student body, was taken to Exposition Park.

May I, on behalf of your students, past and present, and of your fellow workers, express to you our deep appreciation and our hearty congratulations upon your outstanding record of service.

Seven members of the ROTC volunteer each year for this service which does much toward promoting patriotism among the students.

ROTC BAND—Consisting of twenty-nine members, the ROTC Band plays for daily drill and review, school assemblies, and meetings of the PTA. In addition to performances at school this band often performs at parades, service clubs, patriotic organizations, and the Veterans' Home in Sawtelle.

Each Friday the members are allowed to choose between recreational activities and fencing.

The annual inspection of the boys for neatness and military profficiency was held on April 28. During the battalion review which followed, the two companies

Practicing before school and during lunch periods, the boys attempt to learn, extend, enlarge, and perfect the newest drills as set forth in the manual of arms. The slightest variation in timing is instantly noticeable, making necessary absolute control. The Silent Manual is the most effective for exhibition. This drill is done in rapid succession and the result of extensive training is shown in the clever manipulation and perfect timing.

Poly High was granted a chapter in Quill and Scroll International Honorary Society this year. At the first regular meeting the following officers were elected: Phyllis Bishop, president; Donald Brackenbury, vice president; Hazel Hastings, secretary. The other three members are Betty Marriner, Clarence Burns, and Ross Am-spoker. The members are chosen by the National Society according to their ability as journalists.

The outstanding undertaking of High Life during the spring semester was the complete publication of one edition of our local newspaper. The student staff was faced with the responsibility of writing and editing the entire paper, and won praise for their efficiency. By accurately and colorfully recording the news this year High Life maintained its enviable standard for high school journalism.

In recognition of its merit Caerulea was awarded first class honor rating for 1937 in the contest conducted by the National Scholastic Press Association.

Acacia entered the National Scholastic Press Association and the Columbia Press contests. In addition to the magazine, special work in poetry, essays, and stories were submitted in the latter contest. Notification concerning the results of these competitions has not yet been received.

PRINT SHOP—The Poly print shop has been the center of campus activity for the year 1937-38. Taking full advantage of every moment, the shop set up the type each week for over 3,000 copies of High Life. In addition to all office printing, Caerulea, Acacia, and High Life, the print shop published the two Junior College productions, Viking and Saga. Through the experience and practice thus gained students obtain a practical knowledge of printing. This department merits a great deal of credit for its efficient handling of the many publications with which it has been charged. Mr. Freeman and Mr. Stribley directed the students.

CAERULEA—The Caerulea for 1938 is presented without a definite theme, although education has been featured throughout the book. The introductory section pictures junior high schools, senior high schools, and the junior college of our city, as well as their principals. On the division pages, photographs of outstanding universities and colleges of California may be found.

The Caerulea staff was faced with the problem of entering approximately two hundred more senior pictures than last year since there are over nine hundred and fifty senior's pictures in the 1938 annual.

The Senior Hall of Fame is a new feature in the Caerulea, in which the outstanding members of the graduating class are pictured. The selection was made on the basis of outstanding achievements in all activities.

CAERULEA STAFF—Abright, Bell, Benner, Armstrong, Hevener, Engle, Renfro, Rownd, Morrell, Lovelady.

CAERULEA STAFF—Deeble, Ashley, Pickett, Willis, Wilson, Bennett, Nutter, Flanagan, Nielsen, Sorenson.

Another division of interest is the section devoted to Candid Camera. A contest was held in the fall to give every student an opportunity to have his favorite informal photograph in the book. The winner of the first prize, Mildred Bicknell, was awarded a Caerulea; the second prize winner, Homa Jean Hawn, received first and second installments; and the third and fourth prize winners, Jim Orman and Tom Ravenor, received the first installment of a Caerulea.

The Caerulea staff under the direction of a new adviser, Mr. Wright, was headed by Frances Nutter, editor-in-chief, and Virginia Wilson, associate editor.

CAERULEA ADVISERS—Miss Foster (Art), Mr. Wright (General Adviser), Mr. Gray (Photography), Mr. Freeman (Print Shop), Mr. Stribley (Print Shop).

CAERULEA STAFF—Brown, Lovelady, Engle, Ashley, Sawa, Nutter, Sorenson, Perle, Bennett, Morrell.
SECOND ROW: Wright (Adviser), Gandrau, Bell, Wilson, Sekarich, Abright, Rownd.

PHOTOGRAPHY DEPARTMENT—The Photography Department was confronted with the tremendous task of adapting itself to entirely new material this year, making it necessary to relearn all photography work. Being essential to *Caerulea*, this relatively new department has been in constant demand. Many pictures taken for *Caerulea* have also been used by the local newspaper. This group deserves much credit for its excellent work under the efficient direction of Mr. Gray.

CAERULEA ART CLASS—The *Caerulea* art class furnished all hand printing and art work in the introductory section, tailpieces and backboards of the 1938 *Caerulea*. A modern cover was designed in keeping with the modern trend of the book. The students of this class are selected by recommendation from other art classes. From the staff selected, Mary Alice De Coudres was appointed art editor with Don Palmer as assistant. Miss Foster was the adviser.

CAERULEA PHOTOGRAPHY CLASS—Allen, Goodman, Childs, Bulmer, Kemp, Workman, Grove, Johnson, Hawn.

CAERULEA ART CLASS—FIRST ROW: Kendall, deCoudres, Palmeto. SECOND ROW: Downs, Taylor, West, Surber, Sheehan, Vibber, Flesher, Dietrich. THIRD ROW: Brantingham, Munn, Walker, Miss Foster (Adviser), Martin, Boye, Schrader, Parr.

ACACIA—An all school assembly was held November 4, 1937, to announce the sale of one of the most complete editions of Acacia ever published. Acacia is a literary magazine edited by a group of thirty authors selected from the English Department and Writers' Club, and advised by Mrs. Mealey, Mr. Frisch, and Miss Preston. The magazine consists of poems, short stories, book and music reviews, editorials, feature stories, and essays.

Designed by the pupils of the Acacia Art Class, the cover was rich, holly-red suede with "Acacia 1937" printed diagonally in block letters. The magazine also contained many clever and entertaining illustrations.

The first Acacia was published in the Christmas season of 1924, and for several years was published in the spring in addition to the Christmas number. In the past few years the Spring number has been discontinued, and it is now issued but once annually.

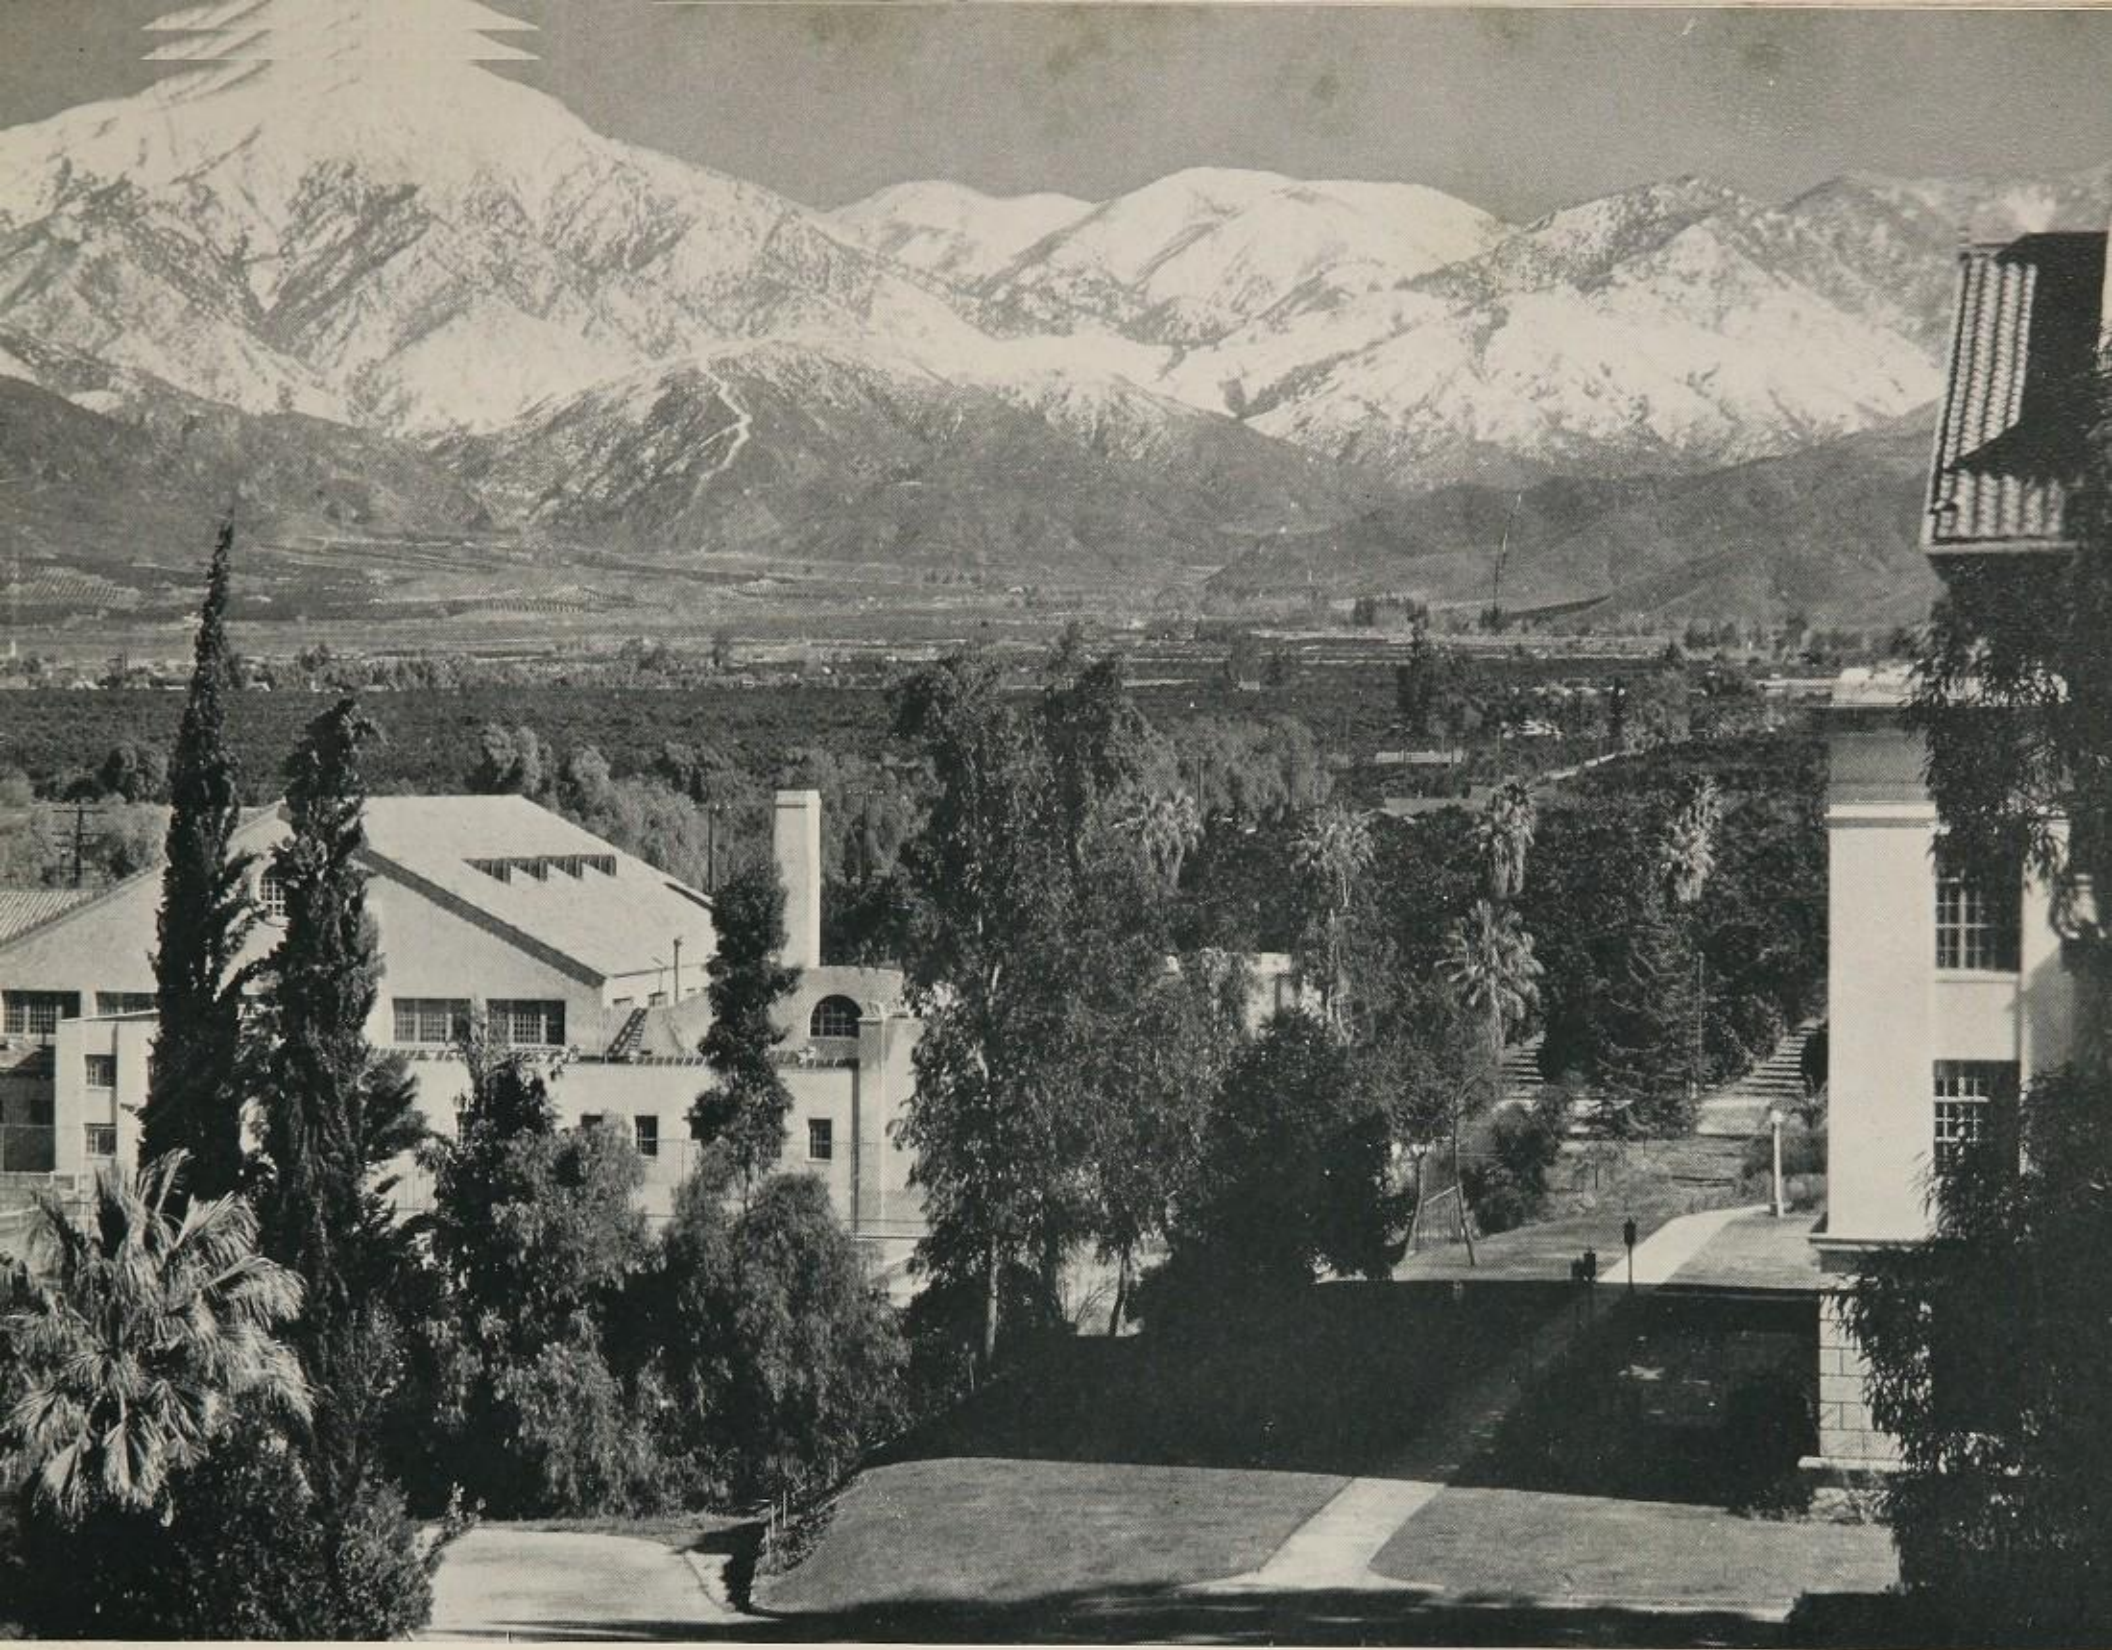

ACACIA STAFF AND CLASS—FIRST ROW: Wing, Williams, Whitesell, Moriarty, Miller. SECOND ROW: Deck, deCoudres, Morris, Miss Preston (Adviser), Mrs. Mealey (Adviser), Desmond, Benner, Marriner.

DER DEUTSCHE VEREIN—Students of the German language have founded the Der Deutsche Verein, a friendly and entertaining medium of applying their knowledge. Through this club a better understanding of the German nation as well as its language is promoted. Among the social activities of the year were several parties and social programs.

LE COQ GAULOIS—Formed primarily for the purpose of offering an opportunity to pupils to put into application their study of the French language, Le Coq Gaulois conducted a social as well as an educational program. ALEXIS CARREL—One of the most instructive organizations at Poly is Alexis Carrel, a club in which the members are given the opportunity to earn their Red Cross emblems. Recognition of this kind enables the girls to assist in administering first-aid to injured persons. These girls were given special posts during the fire drills to be on hand if first-aid should be necessary.

AVIATION—Will all travel and transportation be done by air in the future? If so, the air-minded students of Poly who have joined the Aviation Club may be among our future pilots. Here they learn practical aeronautical tactics and the value of certain qualities essential to a successful aviator. This club has not devoted itself entirely to the technicalities of flying, but has also enjoyed many field trips to local airports and thus gained first hand information.

ALEXIS CARREL—FIRST ROW: Hawn, McFadden (V. Pres.), Chase, Keehen (Pres.), Rocheville, Olney, Williams (Sec.-Treas.), Reid. Members of the club performed publicly on various occasions and will be especially remembered for their antics at the Poly-Wilson football game.

BOYS' SWIMMING CLUB—The newly formed swimming club of Poly has drawn its members from boys who are interested in aquatics. Not only swimming but social functions have attracted the boys. Any group of Poly girls may reserve the cabin for week-end or holiday parties. Cash expenditures on the cabin are financed by an annual tag drive while the PTA constantly aids with needed furniture and china.

ENGINEERS' CLUB—Many boys in Poly High School dream of attending West Point, Annapolis, and Cal-Tech, but few of these boys can pass the entrance examinations to these institutions of higher learning. For that reason this organization of Poly's mathematically minded boys was formed. It is the desire of this club to learn the use of the slide rule and transit instrument. Knowledge of these instruments will enable students to study the difficult problems which face the engineers of the future.

Any girl is eligible to join this organization who is willing to live up to the code.

JAPANESE FRIENDSHIP CIRCLE—The Japanese students within Poly formed their Friendship Circle with the purpose of promoting international good will and becoming better acquainted with the other members of their race. As in other years, Mrs. Hitchings directed the activities of the club. Interesting social events and meetings combined to make pleasant and enjoyable participation in the Japanese Friendship Circle.

Members have heard several lectures by authorities during the year on correct social behavior, and have served as hostesses at many teas as well as the Boys' and Girls' League parties, GAA activities, and PTA functions. In this way the girls learn the proper etiquette for social and business engagements. Miss Ritchie was the sponsor.

Contacts were made which enable the students to better understand and appreciate the problems of the business men of Southern California. As in the Cirgonian Club, after which it was patterned, the members were selected as representatives of a particular group. Coach Norman Barker directed the activities of the Club.

JUVENTUS—Discussion of social problems facing the youth of today and the fostering of Christian ideals are the purposes of the Juventus Club. Putting into practical application their basic knowledge of minerals and ores, Poly's Miners' Club enjoyed a busy and worthwhile year.

RADIO CLUB—The practical application of radio science and gaining of worthwhile experience were among the benefits of membership in the Radio Club. A growing interest in the activities of the club was indicated by the largest membership in many years. Students interested in any phases of the science of radio were welcomed as members. HI Y—To create, maintain, and extend high standards of Christian character throughout the school and community is the aim of this club. Meetings at the YMCA provide opportunity for a varied program. All members of the club participate on one or more of their athletic teams, and Hi Y social affairs provide another source of enjoyment and development.

RADIO AMATEUR—Who of us has not been thrilled as we listened to a short wave radio message or radio amateurs speaking to one another across the country? If you are a licensed amateur radio operator, or plan to be one, Radio Amateur Club offers you the opportunity to associate with other students who are interested in the same kind of work and to learn how to operate the transmitter and to gain practical experience in radio communication.

Membership is gained through invitation only and the requirements are a Social Study major and a class standing not lower than a Junior B.

PI KAPPA—One of the most active organizations on the campus is the press club, Pi Kappa. It is, in the main, a social club but has as an ideal the furtherance of journalistic interests. SALESMANSHIP CLUB—Because of the increasing demand for an organization where a practical knowledge of salesmanship might be acquired, Poly's Salesmanship Club was organized. As in previous years, students were placed in business establishments where they were given an opportunity to obtain valuable experience in serving the public. Through these and similar activities, familiarity with all lines of salesmanship was acquired.

Mrs. Holder advised the club with its school problems, and aided students in their contact with business men of the city.

STAMP CLUB—Stamp collecting is one of the most interesting hobbies a student can have, for the pictures on stamps tell enlightening stories. Most members of the Stamp Club are so-called general collectors, but some concentrate on a special class such as: a collection of stamps picturing flowers, or maps of countries or animals. At weekly meetings members discuss the various stamps, their origin, and ways and means of exchanging stamps with other philatelists.

GIRLS' "L" CLUB—This club's membership is composed of the girls who have earned a letter in general service, scholarship, or athletics. It is the aim of the "L" Club to develop qualities of leadership and to honor girls for their outstanding participation in these activities. A social or business meeting is held once each month.

WRITERS' CLUB—To gain practice in self expression through writing is the aim of Writers' Club, one of Poly's outstanding honor organizations. At their meetings manuscripts submitted by the members are read and helpful criticism is made. The best manuscripts are chosen for the Christmas magazine, *Acacia*, which is published by this club. To win membership aspirants must submit at least two types of manuscripts to the sponsors, Miss Preston, Mrs. Mealey, and Mr. Frisch, who choose a limited number of new members.

YOUNG SCRIBBLERS—At their weekly meetings the members submit manuscripts, welcoming sincere and helpful criticism of the other members. All types of original verse, reviews, essays, novels, and dramas are written by these hopeful authors. The training received in this club helps to prepare the members to submit tryouts for Writers' Club.

WRITERS' CLUB—FIRST ROW: Heidewald, Moriarty, Marriner, Wing (Sec.), Whitesell, Ashley, Anderson (Pres.), Williams. **SECOND ROW:** Miss Preston (Adviser), Amspoker, Bishop, de Coudres, Smith, Desmond, Nutter, Mrs. Mealey (Adviser). **THIRD ROW:** Mr. Frisch (Adviser), Deck, Arnold, Stockham, Benner, Wilson, Morris, Jones (V. ART APPRECIATION CLUB—As one of Poly's newly formed clubs, Art Appreciation this year replaced L'Moderne as the artistic organization of the school. The basic principles of art, such as beauty and simplicity of line and harmony in color tones, were employed in their studies. Appreciation of modern as well as conventional trends of art was stressed by Mrs. Sjoberg, the adviser.

GAMMA ALPHA SIGMA—As is suggested by the name, Cultural Arts Society, from which the Greek initials are derived, this organization has as its objective the broadening of the artistic outlook of its members. The club attends concerts and operas, discusses current developments in the field of fine arts, sponsors informal recitals by guest artists and members, and makes trips to adjacent points of cultural interest. The officers for the year were Marjorie Spaulding, chairman; Leola Savage, secretary; Ruth Coulter, treasurer; Marjorie Goldman, historian; Frank Vineyard, parliamentarian. Miss Aaronson is adviser.

ART APPRECIATION CLUB—FIRST ROW: Miss Ziegler (Adviser), Howard, Davis, Krueger, Reed, Bowbeer, Gealam, Miss Lewerenz (Adviser). **SECOND ROW:** Cutting, Clark, Gribble, Kells, Goble, Anderson. **GAMMA ALPHA SIGMA—FIRST ROW:** Oakey, Goldman, Savage, Smith, Bulmer, Raukens, Morrison, Paulter, Spaulding, Miss Aaronson (Adviser). **SECOND ROW:** Shaler, Sigler, Heffernan.

JUNIOR HERPETOLOGICAL SOCIETY—At the meetings of the Junior Herpetological Society curious specimens of reptiles are exhibited and studied. Frequent trips are made to the desert and mountains in order to obtain additional specimens for use in lectures and exhibits. The club is not limited to students of Poly, but will admit into membership any scholar seeking a better understanding and appreciation of reptiles.

MAKE-UP CLUB—The Make-Up Club was organized with the following aims: to gain knowledge of the practical application of the principles of straight and character make-up, and to study the contributing factors of a complete characterization. Regular meetings for experiments and practice, as well as lectures, trips, and social activities, entertained the members and added to their interest in this field of work. Mrs. Sjoberg was the adviser.

JUNIOR HERPETOLOGICAL—FIRST ROW: Miller, Reddick (Adviser), Davis, Heater, West, Bibbly, Holmes, H. Wagner. **SECOND ROW:** Cannon, Sargeant, Wilant, Swift, Simpson (Treas.), Mrs. Wiley, Barfield, Ruiz, Ball. **THIRD ROW:** Young, Ganly, J. Wagner, Peniwell (Asst. Sec.), Halas (Sec.), Woodall (Pres.), Crawford, Hanna, H. Wagner (1st Degree Chairman).

STAGE MAKE-UP CLUB—FIRST ROW: Curtis, Desmond, Duggan, Downs, Simpson, Davies, Wells, Mrs. Sjoberg (Adviser). **SECOND ROW:** Warner, Brantingham, Kallman, Hale, Folsom, Board, Bope, Munn.

COACHES—The record established by the Poly coaching staff is one of which we may well be proud. In each field of sport their training in sportsmanship and clean play has brought credit to our teams.

This year Poly bids farewell to its beloved coach, Orian Landreth, to whom for twelve years Poly students have looked for championship football teams. His record of four successive Coast League titles is one which will stand for many years. Coach Landreth carries with him to his new position, head football coach of the University of Arizona, our sincere best wishes for continued success.

COACHES—Wallace Detrick, B Football and tumbling; Norman Barker, cross country and track; Walter Bell, physical education and golf; Orian Landreth, football and C track; Albert Comfort, tennis and health; Lyle Kinnear, baseball and football reserves; Charles Church, basketball; Pete Archer, crew; George Kellog, substitute for Coach Landreth.

CROSS COUNTRY—Poly's Cross Country team this year won the Coast League Championship for the tenth time in eleven years. Under the consistently fine training of Coach Norman Barker the runners also captured the CIF title.

THREE YEAR LETTERMEN—Bult, V. Crew; Elliot, B. Crew; Martin, V. Golf; Hirashima, B. Football; Nation, C. Track; Crowell, C. Track; Orman, V. Baseball; Sakaniwa, V. Cross Country; Henderson, V. Tennis.

CROSS COUNTRY—FIRST ROW: Mehad, Sakaniwa, Broxholme, Phillips. SECOND ROW: Burrows (Mgr.), Watts, Armstrong, Jordan, Klebsch, Averitt, Greene, Mr. Barker (Coach).

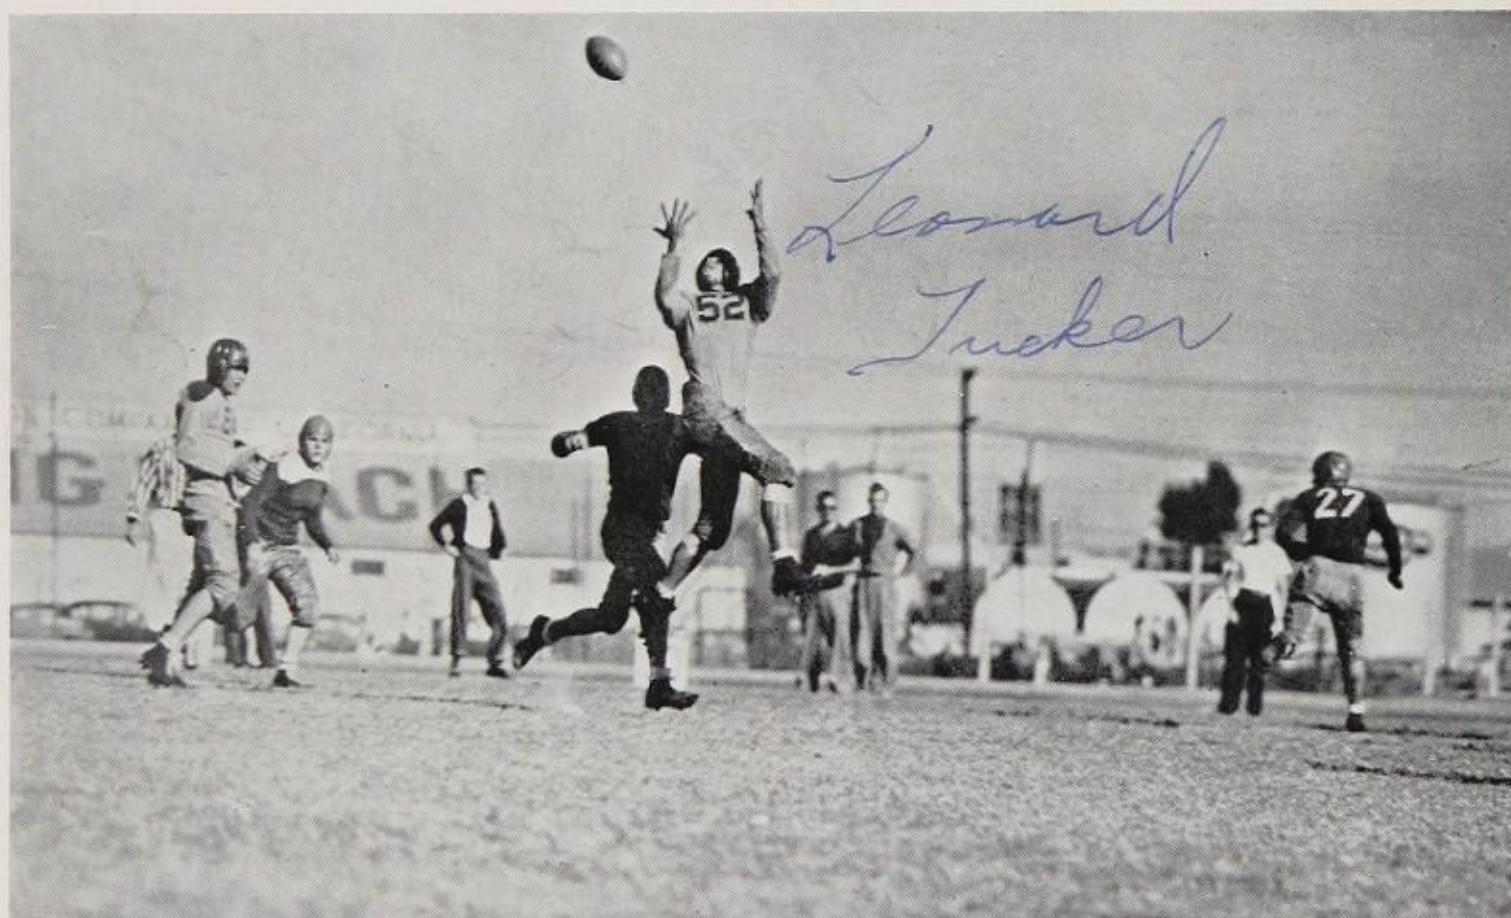

LOYOLA—A lighter, faster Loyola team came to Burcham Field, October 9th, to administer the first defeat to the Poly football machine, 7-0. The game had few highlights with Poly's only march being repulsed on the four yard line by a fighting band from Loyola. The lone score, spelling defeat for Poly, was made on a pass to Captain Bernie Mathews in the third quarter.

REDONDO—Jackrabbit fans were filled with high expectations when Long Beach Poly downed the Seahawks in the opening game of the season at Burcham Field, 21-6. A pass, Gene Pickett to Leonard Tucker, a touchdown runback of a blocked punt by Tucker, and a nine yard run by Harold Bowen furnished the Jackrabbit digits. Redondo's lone score came in the first quarter against the Poly reserves.

LOYOLA—Tucker pulls one out of the skies!

REDONDO—Pickett meets the foe!

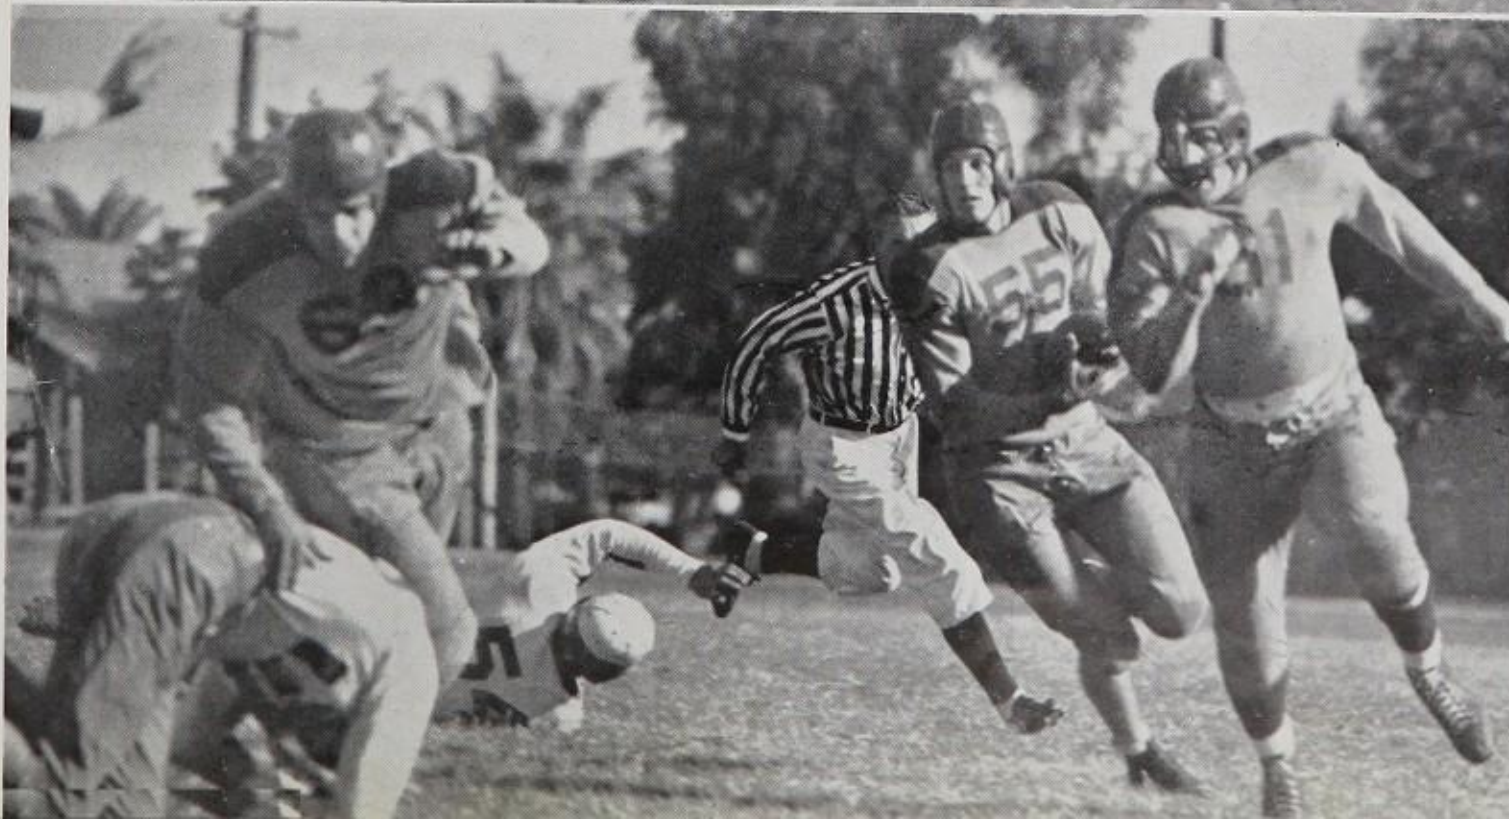

SANTA ANA—In their second game of the '37 season the Hares rolled convincingly over Bill Foot's Santa Ana Saints in the surprisingly hard fought game, 13-2. Cliff Berryman scored both touchdowns while Dale Stone made one of two conversion attempts. Ladusky McCowan flipped a pass into the waiting arms of Berryman for the third tally, with the final touchdown being made on a reverse in the third quarter.

SANTA ANA C. I. F.—After winning the Coast League Championship, the Jack-rabbits again met Santa Ana in the quarter-finals of the C. I. F. playoffs. McCowan, Bowen and Tucker fought brilliantly to stop the highly improved Citrus Belt Champions, but could not quell the power of Musick, the speed of Piper, and the determination of the big red and white team.

SAN DIEGO—Poly journeyed to the Border City, October 16th, to win its first league contest, 13-6. In the first half the Hilltoppers drove relentlessly through the Jackrabbit forward wall and succeeded in scoring a touchdown midway in the second quarter. After the half-time period, the Hares returned with renewed spirit to score two touchdowns and the victory. Harold Bowen and Ladusky McCowan were the offensive threats. Bowen scored the first touchdown for Poly with a nine yard plunge, and McCowan passed to Tucker for the deciding points. The big green and gold eleven mercilessly started another goalward march only to be defeated by the sound of the gun five yards from Russ High's goal line.

A loose pigskin!

Bowen in trouble!

HOOVER—Poly won its second consecutive victory via the air lane to down Hoover High of San Diego, 14-6, before an enthusiastic crowd of 8,000 people on Burcham Field. Four out of six passes were completed from Gene Pickett to Leonard Tucker. One pass was good for six points, while another resulted in the second touchdown, giving the Jackrabbits the victory. The educated toe of Dale Stone was responsible for the two conversions. Hal Bowen showed his qualifications for recognition by effective offensive and defensive work. Mather, Tucker, Boggs, and Captain Akeyson displayed equal ability in downing the Hooverites.

BAKERSFIELD—Poly's Varsity entrained for its longest trip October 29, to play Bakersfield at the Drillers' city, and conquered them, 13-6. Poly's two touchdowns came as a result of Pickett's left-handed pass to Tucker and a 51 yard run by McCowan.

Cut 'em out!

Away for a good gain!

WILSON—The Jackrabbits of Poly High kept their string of victories intact and annexed their fourth straight Coast League Championship by crushing the Wilson Bruins in a thrill packed Armistice Day game, 21-0. Sheer power and determination on the part of the Hare machine defeated the fighting Bruin eleven. Ladusky McCowan, Gene Pickett, and Hal Bowen were largely responsible for the first touch-down by their consistent hard line driving in the first period. Bowen terminated the drive as he plunged over for the score. McCowan scored the second touchdown from the two yard line after a brilliantly completed pass to Tucker. 14,000 fans paid roaring tribute to the unstoppable Hares as Bowen scored the third touchdown after another terrific onslaught.

ALHAMBRA—Coach Orian Landreth's 1937 edition rolled to a hard fought victory over Alhambra, 12-0, Saturday, November 20, on the Moors' home field, finishing its fourth consecutive season as king of the Coast League, a feat never before accomplished. Playing without the services of two regulars, the Hares nevertheless battered down a stubborn Alhambra defense to seek victory. Bowen and McCowen each scored after determined marches in the second half to turn the tide for the green and gold. Poly High pays tribute to the man who has brought football fame and consistent championship teams to the Jackrabbit fold, Orian M. Landreth. No team is more feared than a Landreth-coached eleven and this year's team proved to be no exception.

BASEBALL—At Caerulea press time Poly's baseball machine, headed by Captain Jimmie Burris, was expected to again lead the field in Coast League competition. Among the candidates for the Jackrabbit nine were seven lettermen from last year's squad. Eddie Green, Jim Orman, Emmitt Young, Bill Skeber, Jack Currie, Gene Pickett, and Jimmie Burris were battling to retain their positions against stiff competition from newcomers and last year's reserves. In the group of players Coach Lyle Kinnear had the material to build another championship nine.

GOLF—With only Deeble, Martin, and Arnold as returning lettermen Poly's "stickmen" were anticipating a rough and hilly season. However, at Caerulea press time, with Andreason, Killebrew, Richards, and Washer backing up the lettermen, Poly's hopes of upsetting the defending champions of Woodrow Wilson were high.

BASEBALL—FIRST ROW: Crish, Orman, Seifert, Pickett, Skeber, Currie, Green, Salveson, Burris, Young. VARSITY TRACK—With only four returning lettermen coming to the starting post for this year's cinder edition, Coach Norman Barker nevertheless is expecting a highly successful season as Caerulea press time approaches. The foundation of the team is expected to be built around such performers as Pete McNall in the discus, Sackett and Davies in the dashes, Le Va and Goodell in the hurdles, Cliff Berryman and McCowan in the 440, "Tex" Averitt and Brothers in the mile, and French, Arneson, and Clayton in the pole vault.

CROSS COUNTRY—With the speed and litheness of jackrabbits Poly's Cross Country team conquered all to take the Coast League and Southern California titles. Losing but two meets all season, namely, Narbonne and Compton whom they later defeated, the Hares met and conquered all Coast League rivals and the leading teams in Southern California to insure their cross country supremacy for another year.

VARSITY TRACK—FIRST ROW: Mayger, Broxholme, Armstrong, Le Va, Goodell, Tarbell, Straight, Gandy, Morris, Koobs. SECOND ROW: Sweet, Gray, McNall, French, Lane, Buchanan, Hite, Sackett, Davies, Arneson. THIRD ROW: Watts, Strobele, Bowman, Klosterman, Hudson, Bulleit, Randleman, Allen, Dimitt, Schacht. B TRACK—With many promising prospects answering the call for the 1938 season a strong dual team is expected. Such standouts as Whitcomb in the sprints, Todd and Morris in the hurdles, Lepick and Moldenhauer in the 660, and Meshad in the 1320, are expected to provide a worthy foundation for Mr. Barker's middle-weight squad. Many new candidates are expected to fill the vacancies left by graduation and varsity promotions. All in all, the Poly B team has a decidedly uphill battle to equal the record established by B teams of the past.

C TRACK—The C Track season opened with Coach Landreth in charge; however, later in the year it was necessary to transfer the team to the direction of Coach Kellogg. The team then completed a very successful season with victories over many Coast League rivals.

B TRACK—FIRST ROW: Stone, Mayger, Morris, Ishibashi, French, Sackett, Davies, Meshad, Bradley, Owen. **SECOND ROW:** Verne, Day, Moldenhauer, McElroy, Fuschetti, Ball, Froemming, Wear, Arneson, Estell. **THIRD ROW:** Hirashima, Wallick, Whitcomb, Watkins, Donaldson, Ankeny, Lepick, Martin, Jones, Nerell (Mgr.). **FOURTH ROW:** Nunez, Brocklehurst, Anderson, Newman, Piley, Wright, Stuckman, Blankinshire, McDaniel.

C TRACK—FIRST ROW: Tagashira, Stone, Scott, Sothern, Stone, Jordan, Stephens, Lorden, Babilla, Agee. **SECOND ROW:** Petersen, Karasawa, Julian, Billaud, Caplinger, Curtis, Hopper, Taylor, Penrose, Koga. **THIRD ROW:** Watts, Nation (Mgr.), Price, Grant, Rupp, Williams, Hayakawa, Crowell, Mr. Landreth (Coach).

SWIMMING TEAM—Led by Paul Herron, Coach Wallace Detrick's 1938 swimming edition is expected to again be a strong contender for the National Interscholastic title. Poly can well be proud of the 1937 team which tied for National Interscholastic honors with Maine Township, Illinois, and Trenton High School of Trenton, New Jersey. Captain Jack Dallas led the entire interscholastic field in the 100 yard breast stroke and was selected as the number one breast stroke swimmer in the nation. Sherman Wetmore was given seventh place in the national back stroke class. Paul Herron gained tenth place on the 100 yard free style list, while Hinkley was honored with eighth place in the 220 free style. The 150 yard medley relay team earned many honors in addition to the national rating. Coach Detrick believes that he has the material to build another strong team for 1938 to defend the many titles and honors won by last year's champions.

VARSITY SWIMMING TEAM—FIRST ROW: Mr. Detrick (Coach), Roby, Williams, Hinkley, Halas, Allison, Lowen, Hughes, Gillis, Schumate. SECOND ROW: Meed, Reese, Edwards, Heckman (Mgr.).
B SWIMMING TEAM—FIRST ROW: Dooley, Gowdy, Malaperdas, O'Donnell, Hutchinson, Tosh, Prowell, Turner, Davis, Carter. SECOND ROW: Mr. Detrick (Coach), Heckman, Herron (Mgr.).

VARSIITY CREW—With but one thought and purpose in mind, "beat Wilson", Poly's "navy" was conceded an excellent chance, at Caerulea press time, of regaining the mythical city championship from Wilson High. With very few veterans Coach Pete Archer has molded together a capable and well balanced varsity boat. Stroking the crew was Clarence Ross, with Phillips no. 7, Stanton no. 6, Becker no. 5, Moss no. 4, Reed no. 3, Thresh no. 2, Pratt no. 1, with Bult barking orders from the coxwain seat.

B CREW—Poly's "middies", in their first workouts, have established themselves as one of the strongest B crews to represent Poly since rowing became an active sport in Long Beach. Poly's boat will be stroked by Bob Sykes, with Kelly no. 7, Clifton no. 6, Elliott no. 5, Shackle no. 4, Klenia no. 3, Smith no. 2, Freeman no. 1, and Cocke in the driver's seat as coxswain.

VARSIITY ROWING—FIRST ROW: Troxel, Bult, Daniels. **SECOND ROW:** Ross, Reed, Stanton, Becker, Maas, Tucker, Thresh, Pratt.

SECOND VARSITY CREW—FIRST ROW: Kemherling, Jennings, Marshall, Reed, Schnurr, Lee, Griffith, Hansen. **SECOND ROW:** Wagner (Mgr.), Whitney (Coxswain), Younke (Mgr.).

TENNIS TEAM—Prospects for Coach Comfort's tennis team were bright as Caerulea went to press. A well-balanced group faced San Diego Russ High, San Diego Hoover, Woodrow Wilson and Alhambra in an attempt to capture the Coast League title. Although the team had completed a very successful practice season Wilson and Hoover were expected to provide stiff competition for Poly's netmen. Bob Gold, as number one singles player, was followed in order by Dean Burnett, Jack Oliver, Ellis Slack, Bill Henderson, Jim Grace, Albert Bray, Elbert Shinnman, Heinz Poppendiek, and Earl Kline. Many of the other candidates are working hard to gain one of the coveted "first ten" places. Al Comfort, who has coached the Poly tennis team for many years, held practice each night after school, at which time members of the squad played against each other.

B CREW—FIRST ROW: Spitzer (Mgr.), Cocke (Coxswain), Morgan (Mgr.). SECOND ROW: Clifton, Kelly, Schakel, Elliot, Smith, Klima, Groschwitz, Denos, Williams (Mgr.).

TENNIS—FIRST ROW: Cline, Bray, Slock, Burnett, Henderson, Gold, Oliver, Grace, Schinmann, Poppendiek. SECOND ROW: Mr. Comfort (Coach), Duncanson, Rowe, Brown, Matsuoka, DuRee, Gorey, Bestenlehner, Miller, Johnson, Hazard.

GAA OFFICERS—The GAA season opened with the election of new officers: Connie MacKay, president; Betty Carleson, first vice president; Lillian Brown, second vice president; and Gretchen Pierce, secretary. After serving a semester as able and competent leaders, they turned their offices over to Helen Carson, Genevieve McCray, Marion Morrison, and Margaret Davis, respectively.

MINOR AND MAJOR L'S—Minor and Major L's are letters awarded to girls making five hundred points for athletic service. At least twenty-five of these must be made in leadership or service, fifty in team games, and fifty in some individual sport. The remaining points may be made in any other field. However, not more than three hundred points in one activity counts toward a letter. The Major L requirements are double those needed for a Minor L. A star is awarded for each two hundred points over those required for the Major L.

GAA OFFICERS—MacKay (Pres. '37), Carleson (V. Pres. '37), Brown (V. Pres. '37), Carson (Pres. '38), McCray (V. Pres. '38), Morrison (V. Pres. '38), Davis (Sec.-Treas. '38), Pierce (Sec.-Treas. '37).

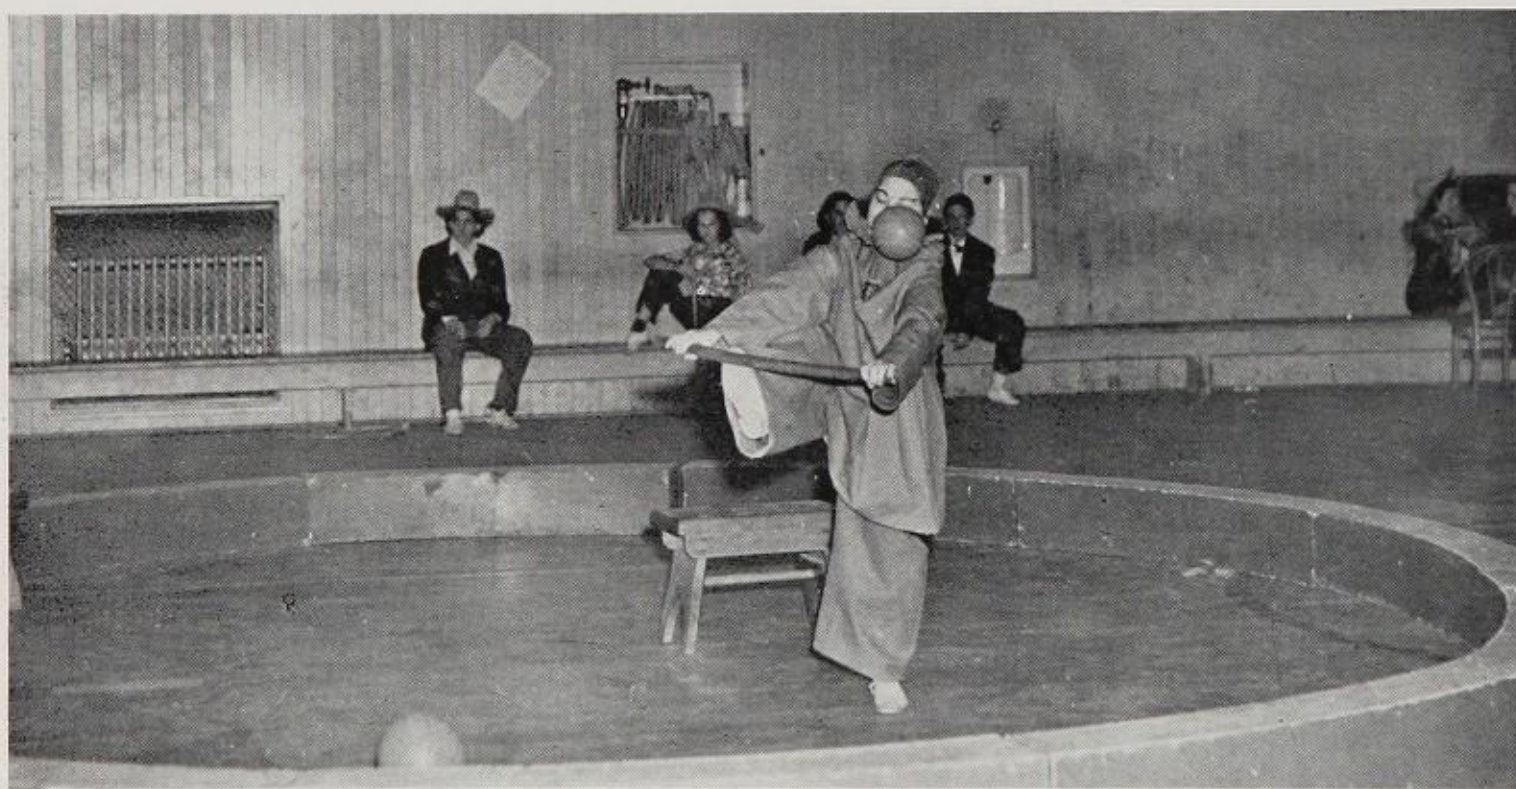

MAJOR AND MINOR L—FIRST ROW: Haughtelin, McFadden, Lovelady, Bicknell, Kendall, Lyons, Morrison, Bowbeer, Krueger, Glickson. **SECOND ROW:** Sherwood, Pedersen, Wallace, McCray, Wyse, Abrahamson, Hill, Fosholdt, Reid, MacKay. **THIRD ROW:** Robinson, Sheehan, Dahlstrom, Ashton, Bope, Pierce.

GAA HI JINKS—The circus came to Poly last December in the form of the annual GAA Hi Jinks which was held in the school gym. The program started with a grand parade of those in costume, with a prize being awarded to Barbara McLean. Every club connected with the GAA gave some type of stunt as entertainment. The Outing Club presented a wild west show; the hockey group, a snake charming performance; the crew, a band and tumbling show. Among the important features were the fat lady, the bearded lady, and a special Hawaiian number. The surprise stunt of the evening was a trucking contest sponsored by the Swimming Club. The prize for this event was captured by Ruth Reid. By careful planning Mrs. Miller and the GAA executive committee made this year's Hi Jinks a tremendous success.

Girls entertain at annual GAA High Jinks

INTERMEDIATE TENNIS—After passing the adviser's test, or having completed practices in the beginner's class, a girl may be admitted to the intermediate tennis class where accuracy and court strategy are stressed. They received the same number of points toward a GAA letter as the Beginner's Class and were also coached by Miss Reardon. When the members of this group acquire the skill and experience necessary, they are permitted to join the feminine net stars in the Advanced Tennis Class.

BEGINNING TENNIS—Each Thursday after school a group of girls, hoping someday to become advanced players, met on the tennis courts. Here they learned score keeping and the fundamentals of the game under the coaching of Miss Reardon. During the first half of the practice period they worked on technique; the latter half was spent in playing against each other. Each girl earned five points per night of practice toward her GAA letter.

INTERMEDIATE TENNIS—Benton, Wilson, Brink, McFadden, Hughes, Terry, Armstrong.

BEGINNING TENNIS—FIRST ROW: Sunderland, Foster, McClure, Kelly. **SECOND ROW:** Albrecht, Herring, McNeil, Blanchard, Estell, Flaig, Tracy, Christiansen, Brantingham, Evans, Ness.

BASEBALL—The baseball season had not been completed at Caerulea press time, so of necessity we refer to the baseball season of "37". The Juniors, now Seniors, won the championship under Captain Helen Carson. The other classes put up commendable resistance and made the Seniors battle for the title.

ADVANCED TENNIS—The organization of girls known to Poly as the Advanced Tennis Group are those who have mastered the fundamentals of the game. This year, Poly was represented in the Inglewood and Fullerton Tennis Tournaments, the players being chosen by tryouts among the Advanced Group. Also included in the activities for the season were the All-Comers, Inter-Class, and Mixed Doubles Tournaments. Winners were Edith Merrill (Girls' Singles), Muriel Davidson and Marjory Parker (Girls' Doubles), Lloyd Camp and Edith Merrill (Mixed Doubles).

GIRLS' BASEBALL CHAMPIONS—FIRST ROW: Carson, Sherwood (Capt.), Pierce. SECOND ROW: Bonilla, McCargar, Hartshorn, Fincannon, Callohan, Brown, Morrison, Wright.

ADVANCED TENNIS—FIRST ROW: Moffatt, Berberet, McFarland, Ragan, Ryan, Frost, Miss Gass, (Adviser), Pedersen, Oakey, Duncanson, Riley, White, Lang. SECOND ROW: Wyse, (Mgr.), Nightingale, Sigworth, Walker, Jones, Christopher, Pierce, Ruthrauff, Wright, Reid, Long, Swett, Hollaway, Sheehan.

VOLLEYBALL—The volleyball season ended with the championship elimination playoffs. The Seniors defeated the Sophomores 21-17. The Juniors, under Captain Genevieve McCray, then captured the championship by defeating the Seniors, 21-19. The latter victory was due largely to their outstanding ability to "kill" the ball. Volleyball has many enthusiasts, and, as usual, provided all of the sport and pleasure expected.

GIRLS' BASKETBALL—The large turnout for after-school basketball was led, in numbers, by the Sophomores. Following several weeks of practice in fundamentals and technique, the underclass girls took a promising place in the ranks for the championship playoffs. At Caerulea press time the Juniors held the slightly favored position with their extremely strong team; however, with last year's victory behind them the Seniors held high aspirations. The coaches were Mrs. Miller and Miss Peters.

GIRLS' VOLLEYBALL CHAMPIONSHIP—FIRST ROW: Schachit, MacKay, McCray, Barker. SECOND ROW: Vaustrum, Fincannon, Hartshorn, Sniley, Brown, Morrison, Hester, Wright.

Make that basket; we need the points!

HOCKEY—Hockey, a comparatively new sport at Poly, was met with great enthusiasm by the girls on the athletic field. After weeks of faithful practice, candidates were chosen for Senior, Junior, and Sophomore teams. The championship series was opened by the Junior-Sophomore game from which the Juniors emerged victorious, defeating the Sophomore team in a very one-sided game, 6-0. Defeating the Juniors 3-1, the Seniors ended the season as undisputed champions for the second successive year. Mrs. Miller and Miss Peters have done much to make very interesting and exciting a game that is difficult to teach, supervise, and play.

GIRLS' HOCKEY—KNEELING: Robertson (Mgr.), Carson (Capt.). **FIRST ROW:** Kendall, Jenkins, Davis, Wyse, Scott, Carleson, Sherwood, Belinsky, Bowbeer, Starr.

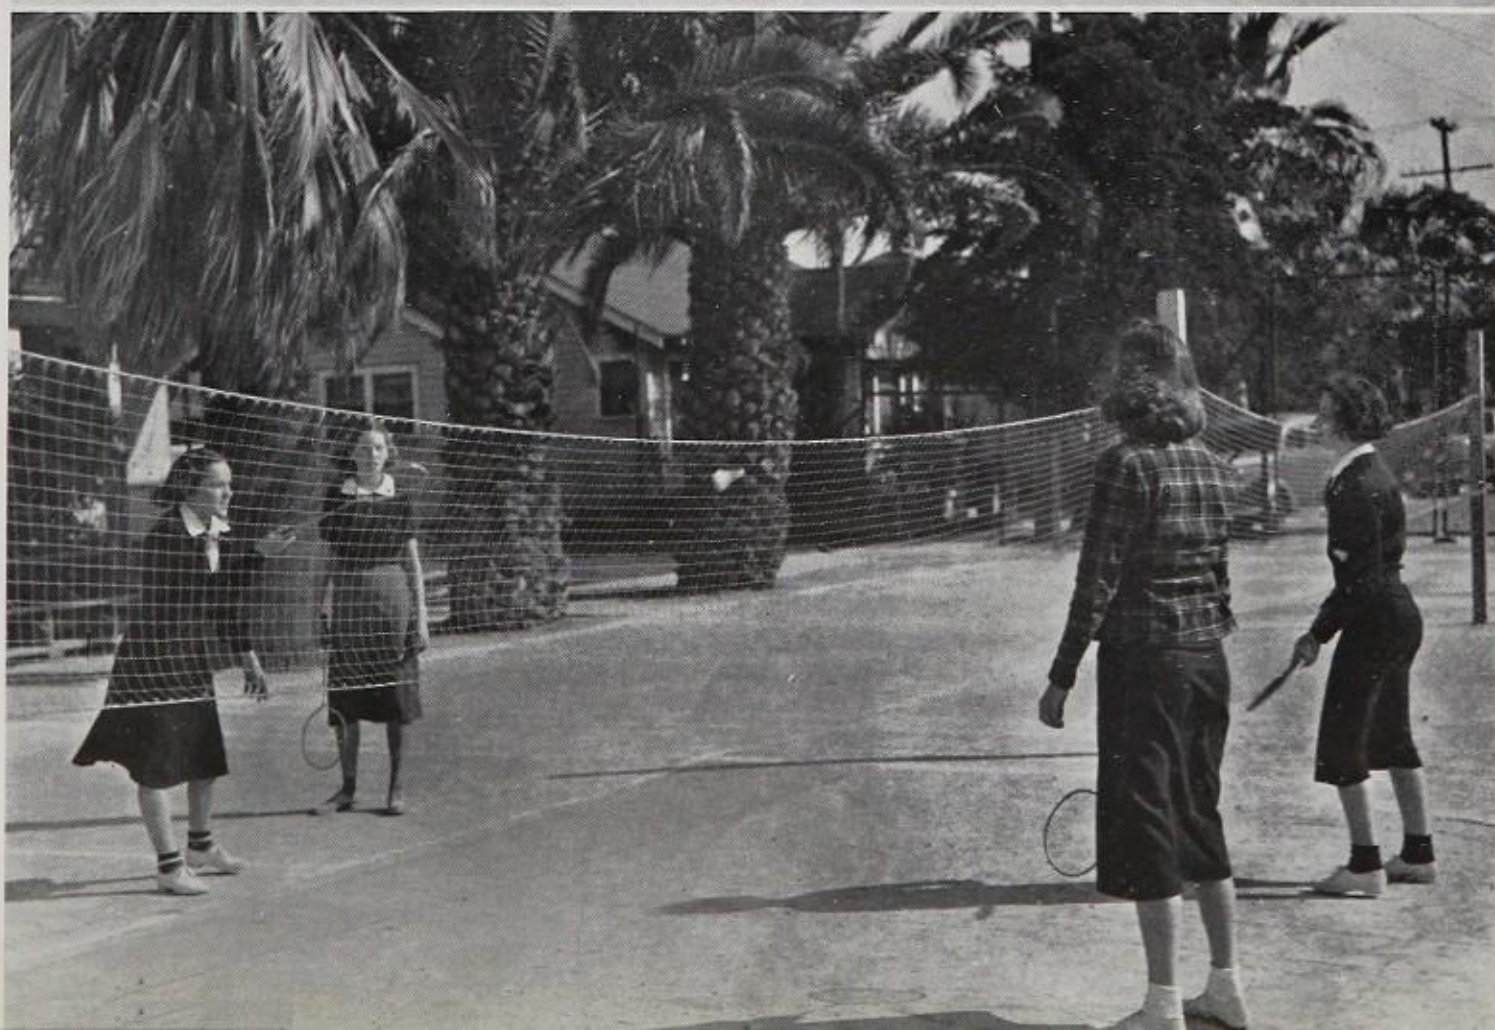

CHAMPIONSHIP BASKETBALL TEAM—Bonilla, Bowbeer, Robertson, Clark, Morrison (Captain), Hatch (Manager), Wright, Ballard, Carson.

OUTING CLUB—Every Monday after school, feminine sport enthusiasts who are members of the Outing Club spend an hour participating in their favorite games. Everything from ping-pong to hockey is offered the members. Horseback riding and skating, two very popular sports among the girls, were again offered as special outside activities by the club. Five points toward a GAA emblem are awarded for practice on the school grounds and ten points for practice away from school. Any Poly girl who is interested in athletics is eligible for membership. Miss Josephine Reardon advised the girls in this year's activities, taking over the sponsorship from Miss Helen Gass.

OUTING CLUB—FIRST ROW: Collins (V. Pres.), Hill (Pres.), Miller (Sec.). **SECOND ROW:** Keen, Fitzgerald, Reider, Whittle, Kendall, Clark, Christensen, Clark, Hamilton, Key, Grant, Adams, Flaig. **THIRD ROW:** Caveness, Jones, Barker, Bedford, Schacht, Blanchard, Christiansen, Solme, Hatch, Hartley, McIntyre, Roth.

Watch the birdie!

ROWING CLUB—During the past year the Rowing Club met every Wednesday after school at the Marine Stadium. To participate in this activity each girl must pass a short swimming test and also be assured that her heart is in good condition. The first semester was spent in learning the strokes on barges equipped much as the eight oar shells, which they were allowed to use the second semester. The officers for the first semester were Marian Morrison, president; Lucile Meade, vice president; Edith Christenson, secretary-treasurer; Margaret Peterson and Jesse Kendall, keepers of records. The second semester the offices were turned over to Alvina Sandige, president; Alice Foster, vice president; and Lucile Meade, secretary-treasurer. Miss Lewerenz advised the group throughout the year. Poly enjoys a great advantage in having a Rowing Club, for very few schools have the facilities for this unique sport.

GIRLS' ROWING—FIRST ROW: Sharpe, Reid, Meshad, Peck, Butcher, Kendall, Gee, Christensen, Clark, Starr. **SECOND ROW:** Self, Kelly, Meade, Drake, Lewis, Christiansen, Jodard, Thomson, Hawkins, Jackman, Barton. **THIRD ROW:** Owen, Hanson, Hill, Sandige, McNeil, McKee, Sample, Foster, Hagadorn, Smith, Sully, Hesser, Jarnes.

Row, comrades, row

ADVANCED RHYTHM—The rhythms class, under the direction of Miss Elva Gates, provides a means of expression for girls who have a desire to participate in creative dancing. In addition to the development of poise and grace as a result of practice, the class offers members an opportunity to serve the school by dancing for the opera, clubs and school assemblies.

SWIMMING CLUB—A new addition to Poly's group of extra-curricular activities, the Girls' Swimming Club, proved to be most popular. Any interested student was welcome to join, a physical examination being the only requirement for membership. Miss Lacy and the two managers, Eleanor Whitcomb and Rita Berkencamp, headed the club.

ADVANCED RHYTHM—FIRST ROW: Brantingham, Krueger, Cole, Morse, Goodman, Cowart, George.
SECOND ROW: Scofield, Clarke, Berkencamp, Gribble, M. Davis, Saffel. **THIRD ROW:** Francis, Ver Ploeg, Robinson, McDonald, Muchmore, Steele, Girard, F. Davis. **FOURTH ROW:** Marriner, Frost, Davies.
FIFTH ROW: Wade, Walker, Olney, Pederson, Lugli, Heidewald.

GIRLS' SWIMMING CLUB—FIRST ROW: Dietrich, Hansen, Burner, Lou, McDonaugh, Keech, Lovelady, Sorenson, Kendall, Lane, McMahon. **SECOND ROW:** McFarland, Dallin, deTonnancourt, Pittman, Hill, Reider, Whitcomb, Shapro, Brown, Lorenz. **THIRD ROW:** Fish, H.
